The screenshot displays a user interface for selecting software tools. At the top, under 'Your Tools', it shows 'Platform Access' (Active until Dec 30, 2024) and 'FSLM' (1 active, 1 credit). Below this is a section for 'Add more tools optional'. The tools listed are:

- Factory Data** \$499  
See details ▾
- FEM 2023** \$699  
See details ▾
- Higg FSLM Social & Labor** 1 - \$499 ▾  
See details ▾
- FSLM Transfer** \$199  
See details ▾

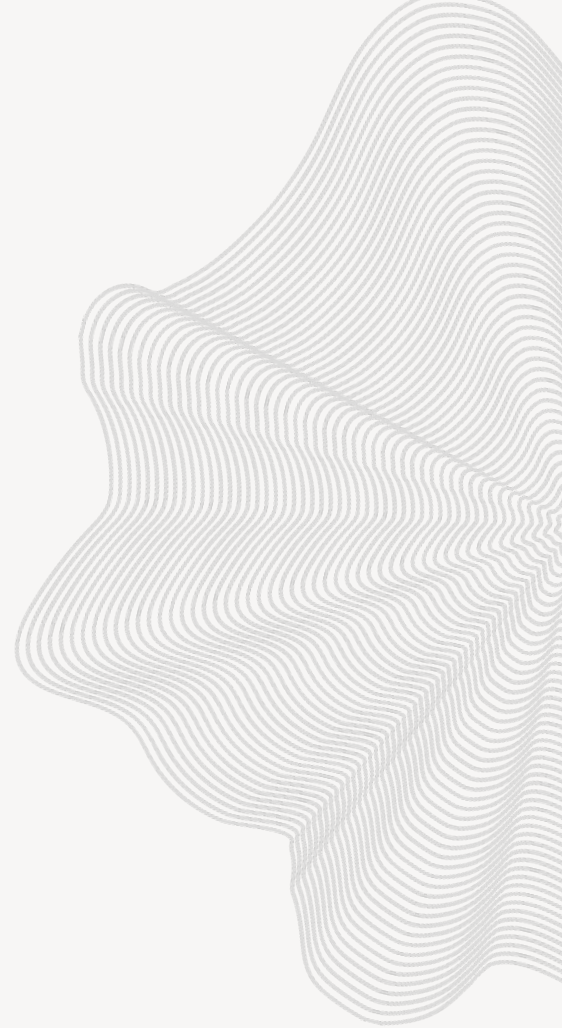

Below the tool list is a 'Company Size' dropdown menu. Underneath is a section for 'Product Tools' with a note 'Select Company Size to see price' and a 'See details ▾' link. The 'Custom Assessments FFC' tool, priced at \$299, is highlighted with a red rectangular border. At the bottom, there is a 'Feature Details ▾' link.

# Facility Onboarding Scenarios

- 1 – Worldly and FFC accounts have been **pre-matched**
- 2 – Worldly and FFC accounts exist, but were **not pre-matched**
- 3 – Have a Worldly account already, but **not this particular facility**
- 4 – **Do not have a Worldly account**

For all scenarios, ensure that you **click the link in the email** from Worldly.

Dear there,

Your FFC brand partner is requiring you to purchase an FFC Custom Assessment subscription on Worldly. The cost of this subscription is \$299, and this will allow you to complete unlimited assessments on the FFC platform over a 12-month period.

In order to purchase, you must:

1. Login to your Worldly account
2. Go to the 'Subscriptions' page
3. Choose the 'FFC Custom Assessment' subscription
4. Purchase subscription

To login to Worldly and purchase your subscription, please click this button:

**Purchase FFC Custom  
Assessment Subscription**

If you have multiple facilities completing custom assessments, please note that you must purchase a custom assessments subscription for each facility.
